

Introduction from the President

As the struggling economy continues to impact our community, the Branch Hillsdale St. Joseph Health Plan (BHSJHP) continues to try to expand coverage to more of our residents. We again expanded caseload this year despite the rising cost of health care. Although this expansion does not fulfill the need for health care coverage in the community, the BHSJHP is committed to serving as many people as possible. The BHSJHP would not succeed without the overwhelming support of local primary care providers, specialists, hospitals, health department and other community partners.

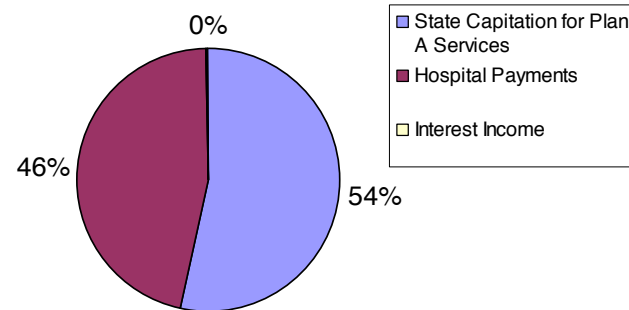

From October 1, 2008 to September 30, 2009, BHSJHP members received over \$2.2 million in services. With the hope of health care reform at the federal level being overshadowed by economic problems in Michigan, the Branch Hillsdale St. Joseph Health Plan is committed to continue working with community partners to ensure that every resident in Branch, Hillsdale, and St. Joseph Counties has access to health care coverage.

Valerie Feters
President, Board of Directors

Health Plan Coverage Program Information and Demographics:

Plan A:

Residents eligible for the Adult Benefits Waiver (ABW) program through the State of Michigan are enrolled in Branch Hillsdale St. Joseph Health Plan, Plan A. This program is not insurance. It provides basic medical care to low income childless adults who do not qualify for Medicaid. Enrollment in Plan A is done by the local Department of Human Services (DHS). Plan A covers primary care visits, specialist visits, labs, x-rays, outpatient hospital services, urgent care, emergency room, mental health services and most prescriptions.

Plan A Enrollees By Age

Plan A Enrollment By Race

Plan B:
Residents who have household incomes less than 150% of the federal poverty level who do not meet the requirements for Medicaid, Medicare, or any other program may be eligible for Plan B. This program is not insurance. It provides basic medical care at little or no cost to the member. Enrollment in Plan B is done by the local Community Health Agency offices. Plan B covers primary care visits, specialist visits, labs, x-rays, urgent care and prescriptions on the approval medication list.
