

FORMULARY BY BRAND NAME Updated 3/10

Applies to the following County Health Plans/Programs: Berrien, Branch/Hillsdale/St. Joseph, Calhoun, Coalition Health Access Program/ABW, Ingham, Ionia, Jackson, Kalamazoo, Lenawee, Livingston, Mid Michigan, and Monroe

- Recent updates to the formulary are in **bold** type.
- The formulary applies to Plans A and B unless noted in the Prescribing edits column.
- Exceptions to the formulary are available only for Plan A. See information on the prior authorization process.
- Psychotropic, substance abuse and HIV/AIDS specific medications are available to Plan A members using their **mihealth card**.
- The website www.communityhealthplans.org provides formulary search capabilities, a "Quick List", and information on prior authorization, the Free Blood Glucose Meter Program and resources for medication not on the formulary. Click on Provider/Provider tools/Pharmacy Benefit Services and then the county health plan name.
- Call **Customer Service at 1-866-291-8691** for assistance regarding the medications provided by the health plan.
