Medications not on this list may be available through other programs. Examples are:

- American Cancer Society's program for medicine to quit smoking. Call 1-800-480-7848.
- Some pharmacy chains have a list of medicines at very low or no cost. Call your local pharmacy or see <http://www.communityhealthplans.org> Links to other programs are found at "other medication resources".

Reminders for members:

- Show your health plan card at the pharmacy.
- Most pharmacies take your health plan card.
- If a medicine you take is not on the list, ask your doctor to:
 - order a medicine from the list that is similar
 - give you medicine samples if they have them
