

Barry Eaton Health Plan B Quick Drug List

Brand names (in parentheses) are listed for reference only. If a generic is available, only the generic product is covered.

Please check the BEHP Plan B Drug Formulary for a complete listing of dosages, forms (tab, capsule, etc) and quantity limits.

Prescription copays are listed on the health plan card. * Newest additions are noted with an asterisk.

For the latest "Complete List" and "Quick List" go to <http://communityhealthplans.org> Click on members/ Barry Eaton Health Plan. Go to Pharmacy Benefit Services.

"NC \$4 program" = Drug is not covered by the BEHP but is available at the \$4 Walmart pharmacy program. For an updated Walmart \$4 medication listing go to www.Walmart.com Click on pharmacy/\$4 prescriptions.

"QL" = Limited Quantity

NOTE: All insulins and some inhalers may be able to be obtained through the Barry Eaton Health Connections office. Ventolin inhaler is available at Walmart for \$9.

Call Customer Service at 1-866-291-8691 if you have questions.

DERMATOLOGIC

Anti-Infective

- clindamycin (Cleocin T 1%) solution
- erythromycin base (A/T/S Erygel) 2% solution/gel
- gentamicin sulfate (Garamycin) cr or oint. **NC \$4**
- silver sulfadiazine (Silvadene 1%) cream; **NC \$4**
- sod Sulfacetamide/Sulfur (novacet)
- sulfacetamide/sulfur (Sulfacet -R) lotion

Antifungal

- clotrimazole (Lotrimin)
- nystatin/triamcin (Mycolog II) cream/ointment **NC \$4**
- nystatin (Mycotastin); cream/ointment **NC \$4**

Antiparasitic

- permethrin (Elimite) 5% cream & (Nix) 1% liquid

Corticosteroid topical

- Betamethasone Dip (Diprosone) lotion & oint. **Cr. NC \$4**
- Betamethasone Val (Vallisone) lotion. **Oint. & Cr. NC \$4**
- clobetasol (Temovate)
- desonide/L.S.B (Des-Owen)
- fluocinone ace. (Synalar) **NC \$4 program**
- fluocinonide (Lidex) oint & gel; **Cr. NC \$4 program**
- hydrocortisone Lot. & Oint.; **Cr. NC \$4 program**
- triamcinolone (Kenalog-Orabase) paste
- triamcinolone (Aristocort) **Cr. & Oint; NC \$4 program**

Miscellaneous

- hydrocortisone (Anusol) Supp. **NC \$4 program**
- podofilox (Condylox 0.5%)
- selenium sulfide (Selsun 2.5%) shampoo; **NC \$4**
- silver sulfasalazine (Silvadene) 1% cream

DIABETES

Oral Drugs

- arcobose (Precose)
- chlorpropamide (Diabinese); **NC \$4 program**
- glipizide (Glucotrol); **NC \$4 program**
- glyburide (Diabeta/Micronase); **NC \$4 program**
- glyburide + metformin (Glucovance)
- metformin (Glucophage); **NC \$4 program**
- metformin ER 750 mg; 500 mg **NC \$4 program**

Insulins – All insulins NC effective 3/1/10

- Humalog 100 U/ML
- Humalog Mix 50/50 and 75/25 vials
- Humulin 50/50 and 70/30
- Humulin N and R 100 U/ML vials
- Novolin 70/30
- Novolin N and R 100 U/ML
- Novolog 100 U/ML and 70/30

Supplies

- glucometer (Bayer for Ascensia Breeze II and Contour)
- lancets and syringes
- test strips (Ascensia Breeze II and Contour only) **QL 102/mo**

**BEHP members may get a free Ascensia Breeze or Contour Glucometer by calling Bayer at 1-877-229-3777*

GASTROINTESTINAL

Antidiarrhea

- diphenoxylate (Lomotil)

Anti-nausea

- meclizine (Antivert)
- metoclopramide (Reglan); **NC \$4 program**
- prochlorperazine (Compazine) tablets

Antispasmodic/Anticholinergic

- belladonna (Donnatal) **NC \$4 program**
- clidinium (Librax)
- dicyclomine (Bentyl); **NC \$4 program**
- hyoscyamine sulfate (Levsin/Levsinex)
- propantheline (Pro-Banthine)

Anti-Ulcer

- Sucralfate (Carafate)

H-2 Antagonist

- famotidine (Pepcid); **NC \$4 program**
- ranitidine (Zantac); **NC \$4 program**

Laxative

- docusate sod. (Colace)
- electrolyte solution/PEG (Colyte & Golytely)
- lactulose (Cephulac) syrup **NC \$4 program**

Rectal Prep

- hydrocortisone (Anusol HC) suppository **NC \$4 program**

OPHTHALMIC (EYE)

Anti-Infective

- bacitracin ointment
- erythromycin base (Ilotycin) ointment **NC \$4 program**
- gentamicin (Garamycin); **NC \$4 program**
- neomycin/bacitracin (Cortisporin/Neomycin) drops/oint.
- sulfacetamide (Sod Sulamyd 10% sol.) **NC \$4 program**
- tobramycin (Tobrex); **NC \$4 program**

Anti-Inf/Steroid

- neomycin/polymixin/d (Maxitrol) oint. & drops **NC \$4**

Corticosteroid

- fluorometholone (FML Liquifilm 0.1%) susp
- prednisolone (Pred Forte 1%) drops

Glaucoma

- brimonidine tar. (Alphagan) 0.2% drops
- carteolol HCL (Ocupress) 1% drops
- dorzolamide HCL (Trusopt) 2% drops
- levobunolol (Betagan) **0.5% NC \$4 program**
- pilocarpine (Pilocarpine); **1% & 2% NC \$4 program**
- timolol maleate (Timoptic) drops; **NC \$4 program**

OTIC (EAR)

Anti-Infective

- acetic acid (Vosol) solution

Anti-Inf/Steroid

- Acetic/hydrocortisone (Vosol HC) drops
- neomycin/polymyxin B/hydrocortisone (Cortisporin) suspension/solution

Miscellaneous

- acetic acid/aluminum (Domeboro) drops
- antipyrine/benzocaine/glycerin (Otogesic) **NC \$4 program**

PSYCHOTHERAPEUTIC/Central Nervous System

Anti-Anxiety

- alprazolam (Xanax)
- buspirone (Buspar); **NC \$4 program**
- chlordiazepoxide hcl (Librium)
- clorazepate (Tranxene)
- diazepam (Valium)
- lorazepam (Ativan)

Anticonvulsant

- carbamazepine (Tegretol); **NC \$4 program**
- clonazepam (Klonopin)
- divalproex sodium (Depakote)
- phenobarbital (Phenobarbital)
- phenytoin (Dilantin)
- primidone (Mysoline)
- valproic acid (Depakene)

Antidepressants

- amitrip/perphen (Triavil)
- amitriptyline (Elavil); **NC \$4 program**
- amitriptyline/cl (Limbitrol)
- citalopram (Celexa); **NC \$4 program**
- desipramine (Norpramin)
- doxepin (Sinequan) **NC \$4 program**
- fluoxetine (Prozac); **NC \$4 program**
- imipramine (Tofranil)
- nortriptyline (Pamelor); **NC \$4 program**
- paroxetine (Paxil); **NC \$4 program**
- trazadone (Desyrel); **NC \$4 program**

Antiparkinson

- benzotropine mesylate (Cogentin); **NC \$4 program**
- carbidopa/levodopa (Sinemet)
- trihexyphenidyl (Artane)elixir; **tab NC \$4 program**

Antipsychotics

- chlorpromazine hcl (Thorazine)
- fluphenazine (Prolixin)tablets; **NC \$4 program**
- haloperidol (Haldol) conc; **tab NC \$4 program**
- loxapine succinate (Loxitane)
- perphenazine (Trilafon)
- thiothixene (Navane) **NC \$4 program**
- trifluoperazine hcl (Stelazine)

CNS Stimulant

- methylphenidate (Ritalin and Ritalin SR)

Sedative/Hypnotic

- flurazepam hcl (Dalmene)
- temazepam (Restoril)
- triazolam (Halcion)

Substance Abuse

- disulfiram (Antabuse)

VITAMIN SUPPLEMENT

- ergocal (Vitamin D 50000 IU)capsule
- folic acid (Folic Acid); **NC \$4 program**
- multivit/Therap w-fe, Hematin (Berocca Plus)
- multivitamin +FL (Poly-Vi-Flor) drops
- prenatal vit w/Fe Fumarate, FA (Prenatal Rx) tablet; **NC \$4**

WOMEN'S HEALTH

Antifungal

- fluconazole (Diflucan) (150 mg tab only); **NC \$4 program**
- miconazole nitrate (Monistat 3)suppositories

Estrogen

- estradiol (Estrace; **NC \$4 program**)
- estropipate (Ogen) **NC \$4 program**

Progesterone

- Medroxyprogesterone (Provera); **NC \$4 program**

MISCELLANEOUS

Anesthetic

- lidocaine(Xylocaine Viscous 2%) solution **NC \$4 program**

Anti-Thyroid

- methimazole (Tapazole)
- propylthiouracil (Propylthiouracil)

Corticosteroid

- dexamethasone (Decadron) sol.; **tab NC \$4 program**
- methylprednisolone (Medrol Dosepak); **NC \$4 program**
- prednisone (Prednisone); **NC \$4 program**
- prednisolone (Orapred)

Immunosuppressive

- azathioprine (Imuran)

Thyroid

- levothyroxine (Synthroid); **NC \$4 program**
- thyroid (Armour Thyroid)

Urinary Tract

- oxybutinin (Ditropan); **NC \$4 program**
- phenazopyridine (Pyridium); **NC \$4 program**
